Experience

Freelancer - Web/Graphic Designer / Mar. 2012 - Current

KOD Designs, Clinton, MD

- Created logos, flyers, posters, branding for various businesses and causes.
- Designed interactive websites with specific target audiences to meet client specifications.

Web & Interactive Media Tutor / Jan. 2014 - Dec. 2014

The Art Institutes International LLC, Sterling, VA

- Led over 100 tutoring sessions for 15 - 20 students in HTML 5, CSS, jQuery and JavaScript, and the Adobe Creative Suite to aid them in becoming Web Designers and Graphic Designers.
- Aided at-risk students who were often in need of significant help in catching up to current course work, improving grades by about 40% and motivating them to persevere.
- Organized workshops designed to help students in furthering their education with principles associated with the HTML 5 and jQuery coding libraries.

Education

The Art Institutes of Washington - Dulles / Jun. 2010 - Dec. 2014

Bachelor of the Fine Arts - Web and Interactive Media

Awarded The Concordian, the highest award for Art Institute students, for displaying exceptional leadership and prowess in providing academic assistance as a tutor.

3rd student to ever be awarded The Concordian in the history of the Institute.

Dean's Honor Roll with an Enrollment Cum. GPA of 3.7
